About the Book

This prayer handbook provides you the avenue to call directly on Allah with *Duas* (supplications) extracted from verses of the Qur'an. The *Duas*, herein, and their meaning connote a personal communication with your Creator by which you can connect with and supplicate to Him. You, your children, or just anyone can use the prayer handbook in daily supplication or in *Tahajjud* (night prayers). May Allah accept your prayers and grant your request. Aameen!
